BYRD & CHEN'S CANADIAN TAX PRINCIPLES PROFESSIONAL EDITION 2016

Topically organized and up-to-date, *Canadian Tax Principles* is a trusted source for practical guidance and easy-to-understand solutions to your tax questions. Written for professionals who include tax work in their general practice, it is a convenient guide to many of the tax issues that you may encounter in your day-to-day practice. It includes:

- topically organized commentary and examples
- schedules of tax rates and other data (including websites)
- sample tax returns—T1 and T2
- extensive numerical examples throughout the text
- a glossary which defines more than 500 terms used in tax work
- coverage of the changes introduced in the 2016 federal budget
- references to the *Income Tax Act* or related materials in each chapter

This straightforward guide is also helpful when you need to explain complex tax issues to clients who have limited tax and accounting knowledge.

About the Authors

For over 20 years, Clarence Byrd & Ida Chen have been developing and publishing materials on income taxation and financial reporting. Their books and textbooks are widely used by chartered professional accountants and professional accounting organizations in Canada, as well as in university and college courses, and by chartered professional accounting students studying for professional examinations.
